

Hello! My name is David Kahn and I have been an LSSP and NCSP for eleven years and worked in school settings in Texas, Arkansas, Michigan, and Nebraska. Currently, I am an LSSP in the Galena Park Independent School District. I wish to serve the TASP members of Area III (ESC Regions 3, 4, and 5) as Area Representative. As your representative, I will bring up concerns raised by TASP members in Area III to the TASP Executive Board. I will relay information from the Board to the Area membership. In addition, I will make every effort to stay abreast of best practices and current trends of the profession. This past year I started attending Region 4's Student Evaluation and Psychological Services Special Education Leadership Network, which meets on a regular basis and provides information related to current national, state, regional, and local issues. This platform has allowed me the opportunity to hear first hand about some of the issues and celebrations that practitioners are experiencing in our area. I plan to continue to attend these meetings when representing Area III so I can make informed decisions as a member of the TASP Executive Board. I appreciate the consideration of the membership of Area III and would be honored to have your vote. I look forward to having the opportunity to become involved in the governance of TASP and to represent you for the next two years.
