

Tier 2/3 Problem Behavior Teacher Questionnaire

Student: _____ Teacher: _____ Class: _____

Grade: _____ Date: _____

Identified target behavior: _____

Directions: Check the frequency of incidents specific to the identified target behavior.

Incident	Never	Sometimes	Often	Always
1. The target behavior occurs when the student is given a directive.				
2. The target behavior occurs when the student is asked to complete an academic task.				
3. Peers give the student attention verbally when the behavior is exhibited.				
4. The target behavior occurs in an academic class.				
5. The target behavior occurs during nonacademic class.				
6. The target behavior occurs during transition times.				
7. The target behavior occurs when there is a change in routine.				
8. The target behavior occurs in the presence of peers.				
9. The target behavior occurs in the morning.				
10. The target behavior occurs in the afternoon.				
11. The target behavior stops when the student is given a verbal redirection.				
12. The target behavior stops when the demands of the task are removed.				
13. The student responds favorably to positive reinforcement.				
14. The student demonstrates the desired appropriate replacement behavior.
