

Department of Psychological Services

Who we are:

The CFISD Department of Psychological Services is a team of mental health professionals comprised of:

Licensed Specialists in School Psychology (LSSP)

LSSPs have Masters or Doctorates in psychology, with a training focus on child development and education.

Licensed Psychologists (LP)

LPs have Doctorates in psychology and are credentialed by the state to practice independently. All district LPs also have LSSPs and work to supervise district interns and post-docs.

Predoctoral School Psychology Interns

CFISD Interns are in their final year of doctoral study and provide psychological services under the supervision of an LP.

What we do:

The day-to-day duties of the psychological services providers are wide-ranging. At any given time, you may find us doing any of the following:
